This is an on-line version of American National Government, a college-level introductory course to American politics. This course is part of the Common Core of Studies at Westfield State University and counts three credits in U.S. History & Government [HSGV] of the Social Science Section. By taking this class, Westfield State students earn 3 of the 12 required credits in the Common Core Social Science Section. For non-Westfield State students, this course can be easily transferred to other colleges and universities and count toward general education credits.

This course focuses on major contemporary issues in American national politics. After briefly examining the founding of the United States and key institutions in the federal government, we
